

Alternate Loan Funds

Additional loan funds may be available through other loan providers. Students should consult the Financial Aid Office for up-to-date information about alternate loans and Sofia's ability to certify alternate loan providers.

As of the publication of this Catalog, Sofia University does not certify any alternate loans on behalf of students. Therefore, students should use caution when considering any borrowing done outside the Federal Direct Loan program as the terms and conditions of such loans can vary considerably by lender. They should also consider the reputation and lending history of any lender from whom they wish to borrow.
