

# MLR2072 : Practicum 2B: Transpersonal-Based Case Formulation, Treatment Planning, and Applications

The second 3.0 units of this A/B course will focus on practicum applications of transpersonal theory. The class will focus on the clients the students are currently seeing at their practicum sites. Principles of recovery-oriented care and collaborative treatment will be incorporated. This work will include the treatment of individuals, couple, family, and child relationships. It will address trauma and abuse, dysfunctions, healthy functioning, health promotion, illness prevention, and working with families and groups. May be repeated for credit if a student needs an additional quarter of practicum.
