

# MTP8799 : Inquiry into Embodied Spirituality

Use Intuitive Inquiry to explore spiritual listening, spiritual companioning, and theories, models, and diverse perspectives related to spiritual unfolding. Explore a growing awareness of the ways embodiment in our community and world is an integral aspect of our spirituality and world consciousness. Exercise skills in self-reflection, discernment, deep listening, and research through inquiry into a personally relevant question related to spiritual embodiment. Write a final paper that addresses shifts and developments in thought processes and assumptions on a topic of interest based on their inquiry.
