

# Two Campuses, Two Locations

## Palo Alto

Sofia University's campus consists of one main building located at 1069 East Meadow Circle in Palo Alto, California. The University occupies approximately 24,500 square feet that includes classrooms, a library, computer lab, student resource center, student lounge, as well as faculty and administrative offices.

All residential classes are held at this location. There are two entrances to the 1069 building: the reception area, which faces East Meadow; and the classroom area entrance, which is accessed from the parking lot. The building features an open-air central courtyard, which affords the school a circular flow to the floor plan.

Sofia University's location in the heart of Palo Alto and nearby Silicon Valley provides opportunities for students to learn about the impact of transpersonal psychology on such fields as counseling, computer science, and business leadership. Our location ensures that student peers are drawn from across the globe, bringing a multi-cultural and cross-national perspective.
